BAILEY UNICORN – For those who appreciate the finer things in life

Featuring the unique combination of the superior performance provided by an Alu-Tech body shell and a totally new level of interior quality and refinement, Unicorn is a Bailey caravan like no other.

All models feature the Alu-Tech body shell construction system which is the most significant development in caravan design for over thirty years and one which produces a vehicle that provides numerous benefits of ownership – most notably a market leading ten year body shell integrity guarantee* for additional peace of mind and Grade III Classification of Thermal Insulation (EN1645-I) allowing you to caravan all year round.

However it is inside where Unicorn dares to be different with spacious interiors showcased by beautiful 'walnut' furniture and a choice of two luxurious soft furnishing options. Featuring many new unique design features and a five star equipment manifesto, including the Alde central heating system, these caravans can certainly claim to have the all important wow factor.

So if you require the very best in touring caravan design, in a vehicle that sets new standards in both performance and value, then there is simply no better choice than the new Bailey Unicorn.

*Terms and conditions apply. 10-Year integrity guarantee comprises of 6 years standard warranty cover and 4 years extended warranty cover supplied free of charge. Please visit www.baileyunicorn.co.uk for more information on the Unicorn warranty package
