ESCAPE MOTORHOMES  
MADE TO MAKE YOU SMILE

2014 MODEL RANGE

## A SMILE BEHIND EVERY MOTORHOME

If you're looking for a great value new motorhome, then look no further, the Escape range is one of the UK's best selling motorhomes for a reason.

Built by the Swift Group, the UK's leading leisure vehicle manufacturer, Escapes benefit from what is probably the most extensive research and testing program in the industry, from the materials and equipment used to simulated crash tests to prove the safety of the anchoring points for all passenger seats.

Extensive safety and durability testing is carried out at the Millbrook track and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a life time; all part of the Swift Ethos to deliver the best products to you.

**Escape models offer an unrivalled combination of style, specification and value making them the ideal starting point for anyone looking for their first new motorhome.**

For the new season they are even better equipped, with an upgraded heating system which includes blown air as standard, taking all Escape models to the Grade 3 standard for heating and thermal insulation.

Available in a choice of two low-line and four high-line models, the Escape is ideal for young or 'three-generation' families. Three models have four belted travelling seats and two layouts have six, ideal for children and grandchildren. All models are powered by a 130bhp Euro5+ turbo diesel engine with a 6-speed gearbox and there is an automatic option.

**Comfortable and relaxed, professional designers have carefully coordinated the interior with 'Mali Acacia' woodgrain and contemporary fabrics.**

Exclusive to Swift Group and designed to give you the ultimate nights sleep, a new Duvalay Duvalite mattress, with lightweight memory fibre technology, comes fitted in all fixed bed models.

Practical removable carpets are sectioned, giving the flexibility to leave carpet in lounge areas and remove it from the entrance door area if required, exposing the French Oak effect floor vinyl. Another practical addition is the Eocamel shower head and hose for a really powerful shower that uses less water.

## ESCAPE FEATURES

### Key standard features

- **New** Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Fiat Euro 5+ 130bhp engine 9% improvement in fuel economy and 7% lower CO<sub>2</sub> emissions than Euro 4 130bhp engine
- Fully integrated factory-fit Radio/CD/MP3 player with switch-off timing adjustable up to 3 hours
- Heavy duty chassis extensions ready for optional homologated towbar
- Electrically operated and tinted cab windows
- Remote central locking of cab doors and immobiliser with rolling code
- Thermal cab side window covers
- One-piece, 5000 Series marine grade aluminium sidewalls
- Lap and diagonal seat belts on all designated passenger seats
- Secure positive catches on all furniture doors
- Seat tops with beech slats, spring-assisted for easy access (except travelling seats)
- **New** French Oak effect, high impact, scratch resistant floor lino
- **New** Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Removable carpets
- Heki rooflight in lounge area with flyscreen and adjustable pleated blind
- Combination thermostatic oven and grill with electronic ignition
- Three 230V sockets
- 300 Watt charger/transformer for 12V supply
- 80 amp-hour leisure battery in exterior access locker
- 65 litre internal fresh water tank with level sensor
- 68 litre waste water tank with level sensor
- Thatcham approved TRACKER Retrieve fitted as standard

### Additional features

#### Chassis-Cab

- Fiat Chassis-cab
- ABS brakes with EBD (electronic brake force distribution)
- Variable power steering
- Adjustable steering wheel position
- Driver's airbag
- Headlamp height adjustment
- Lockable (Laptop PC size) central storage box
- Door pockets with bottle holders
- Two DIN sockets
- Driver and passenger seats in 624, 686 & 696 models with:
  - Position and rake adjustment (driver's seat also has height adjustment)
  - Armrest
  - Fully upholstered covers
  - Base surrounds
- Driver and passenger seats in 664, 662 & 644 models with:
  - Position, height and rake adjustment
  - Swivels
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- Cab carpet (removable)
- **New** Spare wheel on under slung carrier
- Cab battery isolation switch to prevent discharge in storage

#### Body and Exterior equipment

- **New** Dynamic graphics coordinated with white cab
- High gloss moulded skirts and lower rear panel
- Full wheel trims
- Low energy LED exterior light
- High level brake light
- **New** Main habitation door with 2 point locking system and integrated door retainer
- Concertina door flyscreen
- Single key for all habitation doors
- Stepwell and manually retractable step with buzzer warning
- Exterior access locker door - 662 & 664 models
- 'Garage' door 696 model only
- Double glazed opening windows with night-latch ventilation
- Compartment for 2 x 7kg gas bottles
- Gas regulator suitable for Butane or Propane
- High and low fixing points for rear-mounted cycle rack
- 32mm 'sandwich' walls with HD polystyrene insulation core
- 32mm 'sandwich' roof with HD polystyrene insulation core

- 44mm 'sandwich' floor with WBP plywood and Styrofoam insulation core
- Strong redwood body and floor framing
- **New** Low level ventilation moved from step well to reduce road noise

#### Living Area

- **New** 'Toulon' soft furnishing scheme with two scatter cushions
- 'Mali Acacia' woodgrain finish
- High resilience foam in seats and backrests (150mm/6")
- 75mm/3" high resilience foam luton bed mattress (High-line models) and 696 bunk mattresses
- Removable aluminium ladder to the over-cab bed (High-line models)
- Kitchen rooflight with flyscreen and blind
- Cassette flyscreens and blinds on all windows
- Removable entrance mat
- Smoke alarm
- Carbon monoxide alarm

#### Kitchen

- Granite effect moulded kitchen sink
- **New** Contrast 'Grey white' kitchen upper locker doors
- Dometic 8-Series, 85 litre automatic energy selection fridge with 230V, gas and 12V operation
- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage
- Chrome finish brass pillar tap with long spout
- 3 burner gas hob with electronic ignition

#### Washroom

- **New** Eccocamel shower hose and head uses less water while giving a powerful shower
- 35mm thick entrance door with domestic style mortice lock and handle
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled holding tank
- Generously sized washbasin with two door cupboard (tip up sink on 644)
- Overhead towel locker
- Chrome finish brass mixer taps and shower taps
- Rooflight with flyscreen (686, 644 & 696)
- Opening window (except 686, 644 & 696)

#### Heating and Plumbing

- Trumastore gas and electric water heater
- Truma 3kW gas space heater
- **New** Ultraheat dual fuel blown air heating system ducted to living, sleeping and washroom area
- Pressurised fresh water system with self-priming pump & accumulator

### Electrical

- Mains consumer unit with mains isolators and 12V fuse board
- Large, easy to read 12V control panel near entrance doorway with controls for:
  - 12V power on/off
  - Battery selection and charge state
  - Water pump
  - Tank levels
- External aerial connection point in battery locker
- TV station with 230V and 12V sockets, aerial socket for connection to customer's own aerial.
- 25 metre mains hook-up cable

### Key options

- Fiat Comfort-Matic automatic gearbox (only available in conjunction with Comfort Pack)
- Special Value Comfort Pack consisting of:
  - Cab air-conditioning
  - **New** Passenger air bag
  - Electric entrance step with automatic drive-away retraction
  - Easy action concertina door flyscreen
  - Pleated windscreen blind

Cab battery isolation switch to prevent discharge in storage

Thermal cab blinds (Pleated windscreen blind part of optional Comfort Pack)

Removable carpets over **new** French Oak effect, high impact, scratch resistant floor lino

Combination thermostatic oven and grill with electronic ignition

**New** Seitz high specification entrance door with secure 2-point locking and door retainer

**New** Ultraheat dual fuel blown air heating system achieves Grade 3 for heating and thermal insulation

Positive catches on all overhead locker doors for secure storage on the move

Heki rooflight in lounge area with flyscreen and adjustable pleated blind

Pressurised fresh water system with self-priming pump and accumulator

Dometic 8-Series 85 litre automatic energy selection fridge with 230V, gas and 12V operation

Seat bases with beech slats, spring assisted for easy access (Except travelling seats)

Garage door 696 model only

## EXCLUSIVE TO SWIFT GROUP

An exciting new addition for 2014 and exclusive to the Swift Group, is the fitting of a 'Duvalay Duvalite' mattress in fixed bed layouts. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. It gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust-mites and is 100% recyclable. Being ultra light weight it also contributes to significant weight savings.

Unique memory fibre technology that provides lightweight luxury, temperature harmony & supreme comfort

TRACKER Retrieve has been chosen exclusively by Swift Group since 2013 to be fitted to all its motorhomes as one of the most effective tracking systems available. Powered by its own battery it is ideal while the vehicle is in use or in storage.

Glamour Shield is the UK's official provider of Supagard™ paint and fabric protection solutions to the leisure vehicle industry and the only provider recommended by Swift Group. Supagard™ is only available as an optional extra. Ask your dealer for details.

- Notes**
- The Maximum User Payload includes:
    - the conventional load (this is the allowance for passengers)
    - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
    - optional equipment (items available from the manufacturer over and above the standard specification)
    - personal effects (those items not covered by the above)
  - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank, water tank and gas capacity.
  - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
  - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- \* For optional roof ladder add 125mm to length and 40mm to Low line height.
- \*\* With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.
- † The MTPLM on the 686 and 696 can be downgraded to 3500kg with the removal of one rear seat prior to first registration. Consult your dealer for further information.
